**"You taught me, that when others are doubting you, you must simply carry on."**

A Junior High School received funding to produce a student-directed play. Students produced, directed, organized, and acted in the play for the school and parents. It allowed students to take creative risks.

**"You are angels sent from God."**

Our Helping Hands Fund supported a family of 8 newly arrived immigrants, with two months rent, as the father was struggling to find employment.

"...The breakfast program helps our family because I am fed and taken care of. I learn better when I have a full tummy." This grade 4 student is one of many who received funding through our Conquer Hunger Fund. Now, they do not have to think about their next meal, but rather on that next quiz!

**"We will think of God in the halls."**

Our Champion Grant supported a project named "God is Everywhere." Students will be invited to participate in the hallway spaces with floor crosses to learn discipleship, pray and be with God everywhere.

**"I can't believe it! My kids will be so happy."**

Through tearful eyes, and a breaking voice, a teacher at an inner city school, thanked us for supporting much needed swimming lessons for her less fortunate students through our Dream Makers Fund.
